The 1,400 acre ACE Adventure Center is located in southern West Virginia, a convenient distance from most of the nation.

Think of West Virginia as a hub, crossed by a number of major interstates. The New River Gorge and Gauley River regions are just a short distance from I-81, I-77, I-79, and I-64.

West Virginia State Highway 19 is called the "Corridor To Adventure", as it runs directly through some of North America's most beautiful landscapes. Whether you're an avid whitewater rafter, rock climber, mountain biker, hiker, or adventure sport enthusiast our "neck of the woods" has something for you and your family.
